No. 155/PRO/PHQ dated Delhi, the 06/02/2020.

Subject:- Objectionable and unwarranted tampering with Delhi Police logo.

Sir,

This is with reference to the caricature published on the front page of your esteemed newspaper on 06.02.2020, under the caption "Business As Usual by Unny". It is found to be quite derogatory, and of a kind that hurts the sentiments of the entire police force.

The caricature has portrayed objectionable distortions in the Delhi Police logo. It should be clearly appreciated that a logo is sacrosanct to any force or institution.

Needless to say, Delhi Police is absolutely neutral and has been successful in conducting elections in a fair and impartial manner in the past and has all along been committed to adhere to non-partisan conduct. Hence any such type of direct or indirect aspersion affecting its professional image is strongly rebutted and vehemently refuted.

It is, therefore, requested that the caricaturist may be suitably advised and a rebuttal may be published in order to put the matter in proper perspective.

Yours faithfully,

(MANDEEP SINGH RANDHAWA) IPS
PUBLIC RELATIONS OFFICER
