NO. 11/2012

# CIRCULAR

**Subject: - Registration of FIR for theft of Motor Vehicles**

It has been noticed that despite clear instructions M. V. Thefts cases are being registered after considerable delay. The intervening time gap in the commission of crime and initiating legal action by police is sufficient for the criminals to commit crime or cross borders and escape into neighbouring states without being intercepted by the police. The practice is against the established Law and has invited adverse remarks from the Courts time and again.

All District Addl. CsP/DCsP are hereby directed to ensure that M. V. Theft cases are registered without any loss of time and investigated in the letter and spirit of law. Any non-compliance will be viewed seriously.

28/2/12

**(RANJIT NARAYAN)**
