No. 19 2011

Subject:- Regarding Investigation of Fatal Accident Cases.

Motor Accident Claim Tribunal [MACT] Cells have been created in each District, Crime and IGIA, for handling Motor Accident Cases (fatal & bodily injury) as per Delhi Police Manual and Processing of Information under Claim Tribunal Agreed Procedure (CTAP) in compliance of the Hon'ble High Court of Delhi's directions passed in FAO No.842/2003 titled Rajesh Tyagi & Ors. Versus Jaibeer Singh & Ors.

The Commissioner of Police, Delhi in the Weekly Crime Review Meeting held on 19.02.2011 has directed that compliance of the above directions should be strictly ensured and the investigation of fatal accident cases should be conducted without fail by the MACT Cells constituted in Districts/Units. However, in other motor accident cases where victim is seriously injured (bodily injury) and is unfit for statement, such cases should also be taken-up by the MACT Cells. In other simple accident cases, the investigation as well as compliance of "CTAP" Manual shall be conducted by the local police under whose jurisdiction the accident took place.

All the SHOs and In-charge MACT Cells of Districts/Units may be directed accordingly to comply the directions meticulously.
