OFFICE OF THE JOINT COMMISSIONER OF POLICE: CRIME: DELHI
POLICE HEADQUARTERS, JAI SINGH ROAD, TOWER-II, 11TH FLOOR,
NEW DELHI-110001

CIRCULAR

No. 05 /2022

Subject:- Barricade Checking and Maintenance of Barricades.

It has been seen at times that barricades as such are unmanned but at some other place at a distance one or two persons are on duty. This happens even on major arterial roads or even on a highway. This is an unprofessional way of checking, and should be curbed through frequent checking and disciplinary action against the defaulters. There is no point in putting barricades at the border and other places during timings when there is no proper checking.

The staff should be directed to be on duty at the barricades for specified periods only so that they may remain alert and focused. In case the barricades are required to be placed for checking for longer durations, the staff component should be suitably enhanced so that due rotation can be achieved. No unnamed barricade shall be placed on road which occasionally causes traffic jam and sometime fatal accidents.

Periodically, integrated checks should be conducted by district police, traffic police and PCR staff together at the barricades so as to create the deterrent impact on traffic violators and other law-breakers.

3/3/22
