OFFICE OF THE SPECIAL COMMISSIONER OF POLICE,CRIME : DELHI

CIRCULAR

No. 14 /15

Detail directions regarding handling human trafficking issues have been issued vide Circular No. 18/2011 and Anti Human Trafficking Units (AHTUs) were created in each District and Crime Branch.

A large number of children are found staying in Children Homes without commensurate efforts being made by stake holders to match their details with the available data on missing children and to reunite them with their families. Therefore, it is directed that a dedicated team be formed under the supervision of each Inspector/AHTU Crime Branch. The team shall carry out the following important functions in coordination with local police.

1. To interact with all children staying in Children Homes under operation "Milap" and to find out details of their family members/acquaintances for their restoration and to ensure that their complete details/photographs are promptly uploaded on ZIPNet. A report about failure/lapses on the part of the caretaker/manager, if any, be sent to the concerned Child Welfare Committee for remedial action through the DCP/Crime-North.

2. The team will check night shelters, railway stations, bus stands, crossings, religious places alongwith local police to identify Children In need of Care & Protection (CICP) as defined in the Juvenile Justice Act and to ensure immediate necessary legal action including their production before CWC through local police for further action.

3. To conduct thorough analysis of missing children data to find out the worst affected pockets in Delhi for taking immediate remedial action in order to recover the children, to plan action and make efforts to reverse the trend.

The team will submit monthly action taken report to DCP/Crime-North by 7th of the each month.
