No. 16 /2016

Subject: Online registration of e-FIR in property theft cases

It has been observed that many a times, the complainants approaching Police Stations with the complaint of theft of property are being advised to use online application for registration of e-FIR instead of lodging the FIR in Police Station on CCTNS.

Henceforth, whenever a complainant approaches a Police Station with the complaint of theft of property, FIR should be registered immediately in the Police Station through CCTNS. An adverse view will be taken against the officer/SHO who turn away the complainant with the advice to register e-FIR himself.

All supervisory officers shall ensure compliance of this order.

This issues with the approval of the Commissioner of Police, Delhi.
