OFFICE OF THE COMMISSIONER OF POLICE : DELHI

CIRCULAR

No. 17 /2017

Hon'ble High Court of Delhi, while hearing **WP(C) No.4999/2017, Manu Mishra Versus GNCT of Delhi & Others**, issued certain directions to the respondents for compliance regarding removal of encroachments on roads (built-up and non-built up as well as permanent and temporary encroachments) to ensure proper circulation and movement of traffic. Accordingly, the land-owning as well as other related civic agencies are required to remove encroachment from various roads. Some important roads have also been indicated by Hon'ble High Court from where major encroachments/road blocks are to be removed (copy enclosed). In this regard, concerned civic agencies viz. MCD, PWD, DDA, etc. would take necessary steps for removal of encroachments.

To facilitate the removal of the earmarked encroachments, all DCsP/Districts would render full cooperation to all the concerned civic agencies. It will also be ensured in liaison with the concerned civic agencies that no encroachment resurfaces on the roads already cleared of encroachments.
