

“Education is not the filling of a pail, but the lighting of a fire.”

The most beautiful thing in the world is the conjunction of learning and inspiration and at DPPS children are inspired to dream, work, achieve and excel. A good education lays the foundation for a better and brighter future and all our three branches, the much coveted centres of learning are equipped with the state-of-the-art facilities to provide our young learners with a world class learning experience. Students here are encouraged to see every day as an opportunity, to grow, learn and get equipped to face challenges of the modern world. Our schools especially aim to provide quality education at affordable cost to the children/dependents of the Delhi Police personnel enabling them to become globally competent, skilled and highly knowledgeable. It's truly said that an investment in knowledge pays the best interest and quality education is what makes learning a joy.

Every moment spent at DPPS will take your child a step closer towards his / her goals. It's time to give wings to your little one's dreams and aspirations. It's time you make the right choice and enroll your child at DPPS.
