Message

Satish Golchha
Commissioner of Police, Delhi

Greetings!

During the past month, Delhi Police continued to achieve significant successes in crime prevention and detection, traffic management, anti-drug initiatives, public outreach and citizen-centric policing. Our continuous crackdowns against drug syndicates including drug peddlers under the “Nasha Mukht Bharat Abhiyan” awareness campaigns in educational institutions and proactive engagement with public reflect our commitment to building a safer and healthier society.

A significant milestone for the month of May was the successful conduct of the 9th Mega Drug Destruction Programme, during which approximately 1.7 tonnes of narcotic substances worth nearly ₹72 crore were destroyed under the leadership of the Hon'ble Lieutenant Governor of Delhi. The announcement of Delhi's first dedicated Anti-Narcotics Task Force Police Station on this occasion marks a major step forward in our resolve to achieve the objective of a Drug-Free Delhi by 2027.

Another noteworthy achievement of the month was Operation Vishwas, under which more than 12,600 recovered mobile phones were restored to their rightful owners. Our dedicated police teams across districts and units have been able to achieve this feat by leveraging the technology through the CEIR Portal and thereby increasing public trust and confidence.

The successful implementation of innovative initiatives, enhanced inter-agency coordination and the increasing participation of citizens in policing efforts have been extremely helpful in addressing contemporary challenges. As we celebrate our accomplishments, we must remain vigilant in addressing emerging challenges. Our response must continue to be proactive, technology-driven and highly sensitive towards the needs of the public.

I praise my police officers and personnel for their tireless efforts, discipline and dedication to duty. I also express my gratitude to our citizens, partner agencies and stakeholders for their continued support and cooperation. Together, we will continue to strengthen public trust and uphold the highest standards of professional policing.

Jai Hind!

Delhi Police Destroys 1.7 Tonnes Of Narcotics LG Delhi also Announces Dedicated Anti-Narcotics Task Force Police Station

In a major step towards realizing the vision of a Drug-Free Delhi by 2027, Delhi Police organized its 9th Mega Drug Destruction Programme on 12 May 2026 at Biotic Waste Solutions Pvt. Ltd., GT Karnal Road, New Delhi. The event was led by Sardar Taranjit Singh Sandhu, Hon'ble Lieutenant Governor of Delhi in the presence of Sh. Satish Golchha, Commissioner of Police, Delhi, & senior officers.

Hon'ble LG, Delhi being welcomed by CP Delhi

On this occasion, the Hon'ble Lieutenant Governor announced the establishment of Delhi's first dedicated Anti-Narcotics Task Force (ANTF) Police Station, strengthening the city's fight against drug trafficking and abuse.

During the programme, approximately 1,700 kg of narcotic substances, valued at around ₹72 crore in the international market, were destroyed. The consignment included cannabis, charas, heroin, cocaine and psychotropic substances were seized by Crime Branch and South District.

Addressing the gathering, the Hon'ble LG emphasized that the exercise was not merely about destroying seized drugs but about dismantling a criminal ecosystem that threatens youth, families and society. He commended Delhi Police for its sustained anti-narcotics campaign.

Delhi Police has been carrying out intensive enforcement, financial investigations, preventive detention of habitual offenders and special drives such as Operation Kavach

Incineration of seized drugs by Hon'ble LG, Delhi

During 2026 (up to 30 April), Delhi Police registered 1,129 NDPS cases and arrested 1,397 drug traffickers, and seized assets worth over ₹11.25 crore linked to narcotics networks. With this latest destruction drive, Delhi Police has destroyed approximately 46,500 kg of narcotic substances worth ₹13,830 crore since the launch of the national campaign against drug abuse, reaffirming its unwavering commitment to safeguarding society from the menace of drugs.

Operation Vishwas: Delhi Police Returns 12,600 Recovered Mobile Phones to Rightful Owners

In a major citizen-centric initiative, Delhi Police handed over more than 12,600 stolen and lost mobile phones to their rightful owners under Operation Vishwas at a function held on 12 May 2026 at Delhi University's North Campus. The event was presided over by Sardar Taranjit Singh Sandhu, Hon'ble Lieutenant Governor of Delhi in the presence of Sh. Satish Golchha, Commissioner of Police Delhi senior officers, representatives of RWAs and MWAs, and thousands of beneficiaries who joined both physically and virtually.

Unveiling of Booklet - 'Traffic Safety Guide' by Hon'ble LG, Delhi in the presence of CP Delhi & senior police officers

Hon'ble LG, Delhi handing over the recovered mobile phone to its rightful owner

Commending the initiative, the Hon'ble LG described it as a remarkable operational achievement that restored not only mobile phones but also citizens' confidence in the system. He emphasized that the initiative reflects Delhi Police's commitment to technology-driven, citizen-focused policing.

By leveraging the Central Equipment Identity Register (CEIR) Portal, the Delhi Police teams recovered over 19,000 mobile phones in the last 45 days, raising the recovery rate of stolen and lost phones to 74% in 2026, compared to 12% in 2025 and 5% in 2024. Police teams travelled across several states to trace and recover the devices, demonstrating exceptional dedication and coordination.

Addressing the gathering, the Commissioner of Police highlighted that the objective of policing extends beyond registration of complaints to ensuring recovery and restoration of stolen property. He lauded the efforts of Delhi Police personnel whose perseverance made the initiative a resounding success.

The occasion also witnessed the inauguration of a Traffic Exhibition Van aimed at promoting road safety awareness and the launch of a Traffic Safety Guide Booklet. An exhibition showcasing the rich history of Delhi Police and a demonstration of the CEIR Portal's functioning were also organized.

Operation Vishwas stands as a significant milestone in strengthening police-public trust and reflects Delhi Police's continued commitment to responsive, technology-enabled and service-oriented policing.

Delhi Police & NIELIT Sign MoU to Strengthen Cyber Capabilities of Police Personnel

In a significant step towards future-ready policing, Delhi Police signed a Memorandum of Understanding (MoU) with the National Institute of Electronics & Information Technology (NIELIT) on 26 May 2026 for conducting specialised cyber and technology-focused training programmes for police personnel. The MoU was signed in the presence of Sh. Satish Golchha, Commissioner of Police, Delhi, by Sh. Sanjay Kumar, Spl. CP/Training and Dr. Madan Mohan Tripathi, Vice Chancellor, NIELIT.

The collaboration will provide structured training in critical domains such as Artificial Intelligence, Cyber security, Cyber Forensics, Social Media Monitoring, Analysis & Perception Management and other emerging technologies. The initiative aims to enhance digital investigation skills, strengthen cyber crime response capabilities, and equip personnel to effectively tackle technology-enabled crimes.

As cybercrime, online financial frauds, digital exploitation, misinformation campaigns and other technology-driven offences continue to evolve, the partnership will help Delhi Police stay abreast of emerging trends and modern policing requirements through continuous learning and specialised capacity building.

Cyber Lab of Crime Branch Achieves ISO Certification

In a significant milestone for Delhi Police, the Cyber Lab of Crime Branch was awarded ISO 9001-2015 Certification in May 2026, reaffirming its commitment to excellence in cyber crime investigation and digital forensic science. The certification reflects the laboratory's adherence to internationally recognised standards of quality, accuracy, reliability and professionalism in handling digital evidence and forensic examinations.

This achievement stands as a testament to Delhi Police's growing expertise in Digital Forensics, Cyber Crime Investigation, Evidence Analysis and Technology-Driven Policing. It highlights the organisation's unwavering focus on maintaining the highest standards of fairness, transparency, accountability, and operational integrity while investigating increasingly complex cyber crimes.

The initiative reflects Delhi Police’s continued commitment to enhancing investigative capabilities and strengthening responses to emerging cyber related financial crimes through technology, training, and inter-agency collaboration.

Delhi Traffic Police Enhances Smart Traffic Management and Digital Enforcement

Delhi Traffic Police has undertaken major technology-driven upgrades to improve traffic management, enforcement, and commuter convenience across the capital.

As part of the initiative, 42 of 92 Variable Message Sign (VMS) Boards have been integrated with advanced traffic monitoring systems to provide real-time updates on congestion, diversions, accidents, road closures, weather advisories, and special traffic arrangements. The upgraded VMS network helps commuters in informing travel decisions, reducing delays, improving road safety and thus support smoother traffic flow.

In another citizen-centric initiative, Delhi Traffic Police has strengthened its digital challan payment system, enabling motorists to pay current and pending challans on the spot through UPI, debit cards, and credit cards using upgraded handheld devices. Around 1,500 new e-Challan machines are being deployed, featuring instant payment processing, vehicle and violator photography, towing alerts and improves record management.

The e-Challan system has also been integrated with the Bharat Bill Payment System (BBPS), allowing citizens to conveniently pay compoundable challans through any UPI-enabled application. Training programmes have been conducted for field officers to ensure seamless implementation of the upgraded systems.

These initiatives reflect Delhi Traffic Police's commitment to leveraging technology for smarter traffic management, transparent enforcement, enhanced public convenience, and safer roads

Crime Branch Busts NEET Admission Fraud Racket

On 3 May 2026, the Central Range of Crime Branch, Delhi Police, under the leadership of Sh. Satendra Mohan, ACP/Central Range and over all supervision of Sh. Sanjeev Kumar Yadav, DCP/Crime Branch unearthed an organized racket that was exploiting the aspirations of NEET (UG) 2026 candidates and their families by falsely promising MBBS admissions.

Acting on intelligence shared by Sh. Anupam Singh Gahlaut, Commissioner of Police, Surat which was developed in coordination with Sh. Karanraj Vaghela, Additional CP/Crime, Surat, Crime Branch teams jointly led by Insp. Sunil Kalkhade, Insp. Yashendra Singh and Insp. Mahipal Singh comprising SI Birpal, SI Naveen, SI Daisy Dagar, SI Rishi, SI Ankit, SI Gaurav, HC Praveen, HC Jai Singh, HC Vijay, HC Raushan, HC Rahul, HC Ankit, HC Anoop, HC Samander, HC Sandeep Dahiya and HC Prem Prakash conducted a swift operation that resulted in the arrest of 04 accused, including the mastermind and a doctor involved in the conspiracy.

The operation led to the safe rescue of 18 students including minors, who had been separated from their guardians on the pretext of receiving confidential examination material. Timely intervention by the police ensured that the students were counselled and allowed to appear in the NEET examination, safeguarding both their future and the trust of their families. During the operation, 149 pages of fabricated question-answer material, three blank signed cheques belonging to victims and other incriminating documents were recovered and seized. In this regard, FIR No. 110/2026 dated 03.05.2026 under Sections 318(4), 61(2) and 3(5) of the Bharatiya Nyaya Sanhita was registered at PS Crime Branch.

Cyber PS Shahdara Busts International Cyber Fraud Syndicate

In a major breakthrough, Cyber Police Station, Shahdara busted an interstate cyber fraud syndicate involved in large-scale online cheating and unearthed financial linkages exceeding ₹8 crore. A total of 14 accused persons from multiple states have been arrested.

Acting on a secret tip-off received on 25.04.2026 regarding suspicious Cyber fraud activities by certain individuals staying at a hotel in Geeta Colony, Delhi, a case vide FIR No. 20/2026 under sections 317(2)/318(4)/112(2)/61(2)/3(5) BNS was registered and investigation was taken up by a team comprising Insp. Shweta Sharma, SI Shyam Bihari, SI Vivek, ASI Rajdeep, HC Javed, HC Deepak, HC Narender, HC Kapil and HC Sachin, led by SHO Vijay Kumar under the supervision of Sh. Mohinder Singh, ACP/Operations and overall supervision of Sh. Rajendra Prasad Meena, Deputy Commissioner of Police, Shahdara Distt. and a raid was conducted at the hotel. Twelve accused were apprehended from the spot, while two key associates, Pardeep Singh @ Alpha and Gevi were subsequently arrested from Ludhiana, Punjab.

Investigation revealed that the syndicate operated through Telegram and other social media platforms, targeting job seekers with fake work-from-home, part-time and high-salary employment offers. Victims were induced to deposit money under the pretext of registration fees, security deposits, task completion charges and investment schemes. The fraud proceeds were routed through mule bank accounts and layered across multiple transactions to evade detection.

The financial trail linked the accused to numerous NCRP complaints across states including one bank account connected to frauds worth ₹1.5 crore and an ATM card linked to transactions exceeding ₹3 crore. Police recovered 18 mobile phones, 19 SIM cards, one laptop, three ATM cards, four cheque books and two stamps used in the operation.

Crime Branch Arrests BDS Doctor Turned into Serial Property Fraudster

In a significant breakthrough, the ER-II unit of Crime Branch, Delhi Police arrested Majahar Khan (44), a proclaimed offender and serial property fraudster who had been absconding for the past seven months. The accused, a qualified BDS and MDS doctor popularly known as “Dr. Sahab” allegedly cheated over ₹1 crore from multiple victims through fraudulent property transactions.

The operation was carried out by a team comprising Insp. Sunil Kundu, HC Mohit Choudhary, HC Prince Tomar and HC Vikas under the close supervision of ACP Narender Singh, ER-II/Crime Branch and under the overall supervision of Sh. Pankaj Kumar, IPS, DCP-Crime Branch. Acting on technical surveillance and field intelligence, the team apprehended the accused near Ganeshpur Toll Plaza, Uttar Pradesh, close to Dehradun.

Investigation revealed that Majahar Khan exploited his reputation as a dental practitioner to gain the trust of victims and repeatedly offered the same property in Yamuna Vihar as security for financial transactions, despite it already being mortgaged with a bank. By concealing material facts and misrepresenting the property's status, he allegedly cheated several individuals.

The arrest has helped advance investigations in eight cheating and fraud cases registered against him. Police also seized a Hyundai Creta car used by the accused.

The operation highlights the effective use of technical surveillance and coordinated field action by Crime Branch in tracking absconding offenders involved in organized economic crimes. Further investigation is underway to identify additional victims and uncover related fraudulent transactions.

EOW Busts ₹128 Crore Fake GST Invoicing Racket

The Economic Offences Wing (EOW), Delhi Police, has unearthed a major fake GST invoicing and Input Tax Credit (ITC) fraud involving transactions worth over ₹128 crore and arrested six accused persons operating a network of shell companies.

A case vide FIR No. 66/2026 dated 24.03.2026 under Sections 316(2)/318(4)/336(3)/340(2)/61(2) BNS was registered at PS EOW regarding fraudulent creation and operation of a fake proprietorship firm namely M/s R.K. Enterprises using the Aadhaar, PAN, and other documents of an unsuspecting individual under the pretext of providing employment in the GST Department. Investigation revealed that the firm was used to generate bogus GST invoices and fraudulently claim nearly ₹10 crore in Input Tax Credit.

A team comprising Insp. Ramkesh, Insp. Kishanveer, SI Naveen (IO), SI Dipesh and SI Rahul, under the leadership of ACP Virender Kadyan, and overall supervision of Sh. Ravi Kumar Singh IPS, Addl. Commissioner of Police, Economic Offences Wing conducted coordinated raids across Delhi-NCR and arrested Raj Kumar Dixit, Amar Kumar, Vibhash Kumar Mitra, Nitin Verma, Mohd. Waseem, and Abid on 15.05.2026.

The investigation identified nearly 50 shell entities being used for fake billing, accommodation entries, routing funds and fraudulent GST returns. Raj Kumar Dixit, the alleged mastermind, was found to be operating a large fake invoicing network through numerous shell companies. Police recovered ₹51.12 lakh in cash, 15 mobile phones, two laptops, two cars, multiple SIM cards, forged documents, fake stamps and a large volume of physical and digital fake invoices.

Special Cell Busts Pak-ISI–Underworld Terror Module; Eight Operatives Arrested

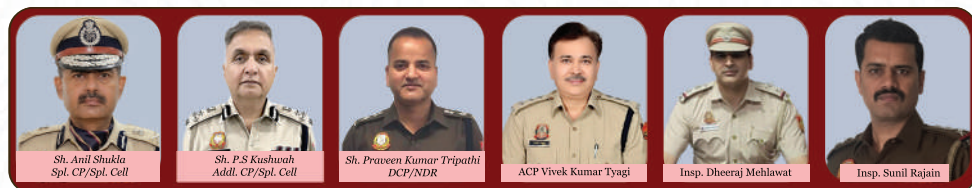

In a major intelligence-led operation, Delhi Police Special Cell dismantled an international terror-criminal network linked to Pakistan's ISI, the Mumbai underworld and foreign-based handlers. The operation, conducted by a team comprising ACP Vivek Kumar Tyagi, Insp. Sunil Rajain and Insp. Dheeraj Mehlawat, under the leadership of Sh. Praveen Kumar Tripathi, IPS, DCP/NDR & under the close supervision of Sh. Pramod Kumar Kushwaha, IPS, Addl. CP/Special Cell & overall guidance of Sh. Anil Shukla, IPS, Spl. CP/Special Cell led to the arrest of eight operatives from multiple states and Nepal.

Investigations revealed that the accused were working at the behest of ISI-linked handlers Shahzad Bhatti, Munna Jhingada and Yawar Khan, and were conspiring to carry out grenade attacks and targeted firing on vital installations, security establishments and police personnel in Delhi, Mumbai, Punjab and Chandigarh. Acting on intelligence inputs and technical surveillance, Special Cell teams tracked the network across Maharashtra, Jharkhand, Mumbai, Punjab and Delhi, leading to the coordinated arrests.

A significant cache of arms and explosives was recovered including four Pakistan Ordnance Factory-made hand grenades, two Pakistan-made Glock pistols, 24 live cartridges, a stolen motorcycle, a stolen scooter and mobile phones containing incriminating chats with Pakistan-based handlers. The investigation also led to the arrest of a Nepali national, Ang Kami Lama, who was tasked with arranging safe hideouts and handling finances for the network in Delhi.

The case, registered at PS Special Cell under relevant provisions of the Bharatiya Nyaya Sanhita (BNS) and the Unlawful Activities (Prevention) Act (UAPA), exposed a wider conspiracy involving cross-border terror operatives, organised crime syndicates and international facilitators. Further investigation is underway to identify additional nodes and associates operating from India, Pakistan and Nepal.

The operation underscores Delhi Police's continued vigilance and capability in neutralising threats to national security through intelligence-driven policing and coordinated interstate action.

HC Amar Singh Rescues 13 People from Major Fire in Burari

In a remarkable act of bravery, HC Amar Singh, Beat Officer of PS Burari, rescued 13 people, including 11 visually impaired students, from a major fire that broke out at Daroga Market, Burari in the early hours of 17 May 2026.

While on night patrol, HC Amar Singh rushed to the spot on receiving information about the fire and found multiple shops engulfed in flames, with the fire spreading to upper floors. Two persons were trapped on the second floor with all exits blocked by intense flames and thick smoke.

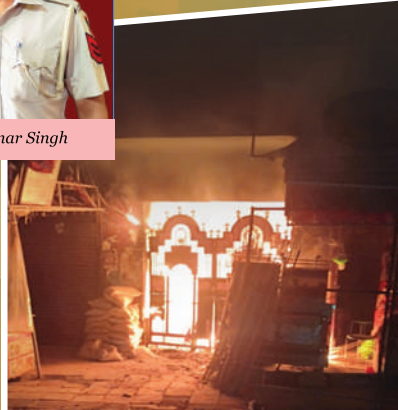

Displaying exceptional courage, he stopped a passing truck, climbed onto its roof, reached the victims through a balcony, and safely evacuated them one by one despite toxic smoke and extreme heat.

Learning that 11 visually impaired students were trapped in an adjoining building at risk from the spreading fire, he immediately alerted them and ensured their safe evacuation before emergency services arrived.

The entire rescue operation was carried out single-handedly by HC Amar Singh before the arrival of police team and fire brigade personnel. His extraordinary courage, presence of mind and selfless action saved 13 lives and prevented a major tragedy.

Delhi News: अपने ही पिता ने एक महीने की मासूम को नाले में फेंका, 'देवदूत' बनकर दिल्ली पुलिस ने बचाई जान

Delhi Police News: शुरुआत में आरोपी पिता अपनी पत्नी और पुलिस को लगातार घमसाह करता रहा. वह खुद को बेकसूर बताता रहा, लेकिन जब दिल्ली पुलिस ने सबूती से प्रमाणित की, तो वह टूट गया. उसने जो सब उगला, उसने पुलिसकर्मियों के भी हाथ उड़ा दिए. आरोपी ने कबूल किया कि वह बेटी के पैदा होने से बेहद खफा था, इसलिए उसने सुबह-सुबह ही बच्ची को कुदृष्ट गिराह के एक गंदे नाले में फेंक दिया था. (प्रभाकर राय की रिपोर्ट)
