No. 11433-35/P.Sec. Spl CP Welfare & EOS dated Delhi the 02-11-2017

To

The Dy. Commissioners of Police,  
All District & Units, Delhi.

**Subject: Welfare- Serious illness of staff.**

It has been observed that instances of death of personnel due to serious illness like tuberculosis have occurred in the recent past. As you are aware such deceases are completely curable with proper medical treatment, diet and rest.

ACsP should be able to notice such things during their individual interactions with staff and encourage them to speak about such health problems of serious nature. Besides this, all the personnel need to be educated about the entire range of medical facilities available under CGHS. Medical claims in all such cases should be settled on priority.

In the light of above, you are requested to sensitise supervisory officers at all levels so that they are aware of such cases of illness of their personnel and take prompt and proper measures in regard to their medical treatment and rest. Their family members should also be given full assurance and support in this regard.
