Dear Sir,

Subject: Launch of EnglishWaley and Offer to families of Delhi Police Personnel (Serving or Retired)

We are pleased to inform you about the launch of our English speaking app, EnglishWaley. In continuation with our relations with Delhi Police, we would like to extend our offer of free download and subscription of EnglishWaley, to all Delhi Police personnel and their family members.

EnglishWaley is a cloud based English Learning App, that focuses on SPOKEN ENGLISH. EnglishWaley uses state of art features like computer generated speech evaluation, word mapping, listening, pronunciation techniques and Grammar techniques to make it a fun experience for users in learning to speak the English language. EnglishWaley focuses on colloquial English. It does not stress on the technicalities of learning grammar or cramming thousands of words which might be seldom used in day to day conversations. Instead it attempts to use innovative techniques that take everyday situations and common aspects of daily life, to inculcate and slowly build on your English speaking abilities.

Some of the exclusive techniques used by EnglishWaley include:

- Listen, Repeat & Learn
- Word Maps
- Loud Reads with Audio
- WordBeads
- Speech Evaluator
- Dynamic Audio-Video content
- and more...

I am enclosing a pdf banner on EnglishWaley, which explains the process for registration and access to EnglishWaley app. Kindly circulate the same to inform all your personnel about our offer.
