

MEGA JOB FAIR 2018

COMMON INTERVIEW QUESTIONS

Want to ace your next interview and land that dream job that you have been seeking ?

Here are some tips to help you prepare

- Please speak the truth regarding educational or family background including percentages in key exams
- Know your own strengths and how you can contribute to the success in the role
- Good moral values are also a key factor in the interviews
- Rehearse many times on the opening lines of their introduction, educational qualifications and family background as the first few minutes will create an impression.

A side to the above mentioned points please keep a note of the below mentioned points as important questions to be asked in an interview:

- Research the industry and company
- Clarify your "selling points" and the reasons you want the job.
- Anticipate the interviewer's concerns and reservations.
- Prepare for common interview questions.
- Line up your questions for the interviewer
- Practice, practice, practice.
- Score a success in the first five minutes.
- Get on the same side as the interviewer.
- Be assertive and take responsibility for the interview.
- Make your selling points clear.
- Think Positive
- Close on a positive note.
