Subject: **Welfare – Health camps.**

As you are aware, personnel of Delhi Police are eligible for Annual Medical Check-up through Wellness Centres of CGHS and can seek reimbursement for the same. As they are pre-occupied with many other things, they may, sometimes, find it difficult to have their health check-up on a regular basis. If any disorder in health is diagnosed at the initial stages of the problem, early and timely steps can be taken for curing of the same.

Some of the NGOs/Hospitals come forward for organising free health check-up camps that usually cover diabetes, hyper-tension, blood sugar, eye check-up and dental problems.

In the light of above, you are requested to accept such offers and collaborate with them for organisation of free health check-up camps for police personnel. We may provide necessary support to them in the form of covered space, tables, chairs, drinking water etc. The details of the same may please be forwarded to this office/DCP(HQ), Delhi for information.
