Order u.s. 144 Cr.P.C., Dt. 21.07.2020, Rohini District

OR D E R

1. Kite flying has been apassionate sport in Delhi. For kitesflying, various types of the threads, known as Manjha in common parlance, areused including ordinary Manjha and special Manjha.

2. Whereas, of late, a new type of“manjha” with metallic powder coating is available in the market. This type of “manjha” is not only very strongbut also a good conductor of electricity. Due to a fine metal coating, whenever such “manjha entangles/comes incontact with overhead electricity supply cables including high voltage lines,electric current runs through the manjha thread, resulting in danger ofelectrocution of the kite flyer or unsuspected passer-by and also causingdisruption of the power supply system.

3. And whereas, it has been foundthat the threads with metallic powder coating being used for kite flying aregood conductors of electricity and are dangerous to electrical installation aswell as to the persons using them as it may cause flash over the overheadtransmission lines and electrocution of the individual.

4. And whereas, it has also beennoticed that the threads coated with metallic powder or any other such chemicalmaterial, being used for kite flying, are causing injury, danger to human lifeas well as other living beings, for example birds, animals, etc.

5. And whereas, it is necessary totake suitable measures to prevent danger to the electrical installations,annoyance to the public, danger to human life and safety and the disturbance ofthe public tranquility.

6. Now, therefore in exercise ofthe powers conferred upon me by section 144 of Code of Criminal Procedure, 1973(No. 2 of 1974) read with Govt. of India, Ministry of Home Affairs NotificationNo. U-11036/1/2008/UTL dated26.11.2008, I P.K.
