ORDER

1. Whereas, there is a mushrooming of **BPOs** (Business process outsourcing Centers) prominently known as Call Centers, Corporate houses, Media houses, companies, organizations and firms in Delhi and other parts of the NCR offering employment opportunity for the youth.

2. And whereas, the employees including young women from across the country have been staying in various parts of Delhi while their work place may be in the NCR region and their employers are providing cab service for the purpose of picking up and dropping them from their places of stay to office and back. 3. And whereas, it has come to notice that certain criminal and anti-social elements look for soft targets, particularly during odd hours and the women employees who travel during late night hours are vulnerable to crime and criminal acts by such elements, if they are not dropped securely and safely at their places of stay.

4. And whereas, it is rendered imperative to put some regulatory checks on organizations having such service of picking and dropping their employees and transporters, security agencies, drivers and security guards involved in the same so that anti-social and criminal elements may not cause danger to human life and safety and their property and it is felt that immediate action is necessary in this regard.

    b. Hire security personnel and other contractual personnel as far as possible from licensed agencies only.

    c. Ensure verification of antecedents of all their employees including contractual employees.

d. Ensure that women employees are not made to travel alone with the cab driver and a duly verified security guard or a male colleague (Regular employee of the company) is invariably deployed in each cab carrying women staff during night hours i.e. 8 PM to 7 AM.

e. Choose the route in such a manner that as far as possible a woman employee is not the first one to be picked up or the last one to be dropped.

f. Ensure that during night hours the cab involved in transportation of women employees picks up and drops such employees right at their houses, remains halted at the point where a woman employee has been dropped till she confirms her arrival/reaching at their residence/place of stay through a telephone call.

g. Ensure that, whenever the house of a woman employee is so located that the approach road is not motorable, the duly verified security guard or the male colleague, during night hours, accompanies the employee on foot up to her house and takes a confirmation about her safe arrival.

h. Exercise effective check and control on the vehicle's movement in order to check any unwarranted activities of the cab drivers, such as picking up strangers, straying away from the designed route etc.
