Subject:- Regarding news report " **HC blast: After Pilkhuwa raid, 2 detained**"

Sir,

This refers to the captioned byline news report appeared in The Times of India on 28-05-2011. The contents of headline claiming "Cops suspect somebody Met Two Jailed IM Operatives, Bomb Alert In All States" are factually incorrect and imaginative.

It is clarified that none of the authorized officers of Delhi Police had spoken or commented to any media person including the reporter about the facts of investigation. Needless to say, such unconfirmed and misleading reports on sensitive matters like this creates unnecessary confusion and dissemination of wrong information among people. The credibility of the newspaper also gets effected by publication of such incorrect reports.

In view of the above stated facts and circumstances, it is requested that the only correct facts of the matter should be published. Publication of such factually incorrect reports hampers the investigation and besides disseminating wrong information to the readers.
