Subject: Rejoinder to the news item "BJP intensifies power fight" Published in the Times of India dated 24.3.2013.

Sir,

Apropos the above mentioned news-item, published in your esteemed newspaper on 24.3.2013, it is stated that its contents are factually incorrect and misleading.

The news item has reported that "police resorted to lathi charge and arrested the protesters to prevent them from reaching Dikshit's residence on Motilal Nehru Marg". It is clarified that the protest by the BJP workers was completely peaceful and at no point of time did the police resort to a lathi charge. We have the video recording of the complete event. The concerned correspondent should have checked the facts from the authorized police officers before filling the story. It is pertinent to mention here that reacting to such incorrect and misleading report in your esteemed newspaper, BJP workers may create law and order situation.

In view of the above facts, it is requested that our rejoinder may kindly be published with the same prominence in your newspaper and the concerned correspondent may be advised to file factually correct report particularly concerning law and order.

Yours faithfully
