Subject: Rejoinder to news item relating to police using teargas shells outside PM's residence.

Sir,

Apropos the above mentioned news-item, published in your esteemed newspaper on 13.5.2013 reporting that police used **teargas shells** to disperse the BJP youth wing protestors protesting outside PM's residence is factually incorrect.

It is clarified that at no point of time police used **teargas shells** during the protest to disperse the protestors. The concerned correspondent should have checked the facts from the authorized police officers before filing the report.

In view of the above, it is requested that our rejoinder may kindly be published with the same prominence in your newspaper and the concerned correspondent may be advised to file factually correct report.

Yours faithfully
