Subject :- Rejoinder to the news-item captioned "*Property Dealer Kee Eeton Se Vaar Karr Hatya*".

Sir,

This is with reference to the above-mentioned news item, which appeared in your esteemed newspaper, today. It is reported by the correspondent that a man had been stoned to death, which is completely incorrect.

The facts of the matter are that on 07/04/2020, at 6:32 AM, a PCR call 'a biker found lying on road after accident near Hamid Pur Vill', was received at PS Alipur. Local police reached the spot where injured Sh. Braham Prakash, aged 59 years R/o Village - Singhu, Delhi, was found unconscious. A motorcycle was also found lying there with scratch marks and dents on the left side. The injured was shifted to a hospital in Narela, where examined him and reported some abrasions on the body. The patient was declared brought dead. No eyewitness to the incident was found. On the basis of DD entry, a case U/s 279/304A IPC was registered and investigation taken up. Post Mortem of the body has been got conducted and the viscera is being sent to FSL to determine the exact cause of death. Further investigation is in progress.

It is pertinent to mention that no stone/bricks were found near the spot and no deep injury was reported by the examining doctor. The reporter has assumed the cause of injuries in most irresponsible manner, without confirming any details from any authorized official.

In the light of above, it is requested that the above stated facts may kindly be published in your esteemed newspaper with the same prominence, in order to put the matter in proper perspective for your esteemed readers.

Yours faithfully,

(Mandeep S. Randhawa)IPS
