Subject:- Rejoinder of news item i.e 'Transfer orders for robbery-tainted Crime Branch sleuths, other'.

Sir,

Apropos the captioned news item which has appeared in your esteemed newspaper today i.e. 19.9.2012. The headline and related content of the news item are factually incorrect and misleading.

It is clarified that Sh. Sanjay Jain, DCP/Crime & Railway has been transferred at his own request for personal reasons and has nothing to do with the robbery case as claimed in the news item. The transfer of Dr. Joy Tirkey, Addl. DCP/Crime is also not connected. Having served for eight years in the Crime Branch he has been shifted to a district. It is a routine transfer. Needless to say, such type of news item causes adverse impact on the image of police officers.

So far as the amount robbed is concerned, it was ascertained from the complainant that an amount of Rs 3 Crores was taken away in the said robbery case. The figure of the amount robbed as quoted by your newspaper is factually incorrect. The role of the police officials has been investigated and on the basis of evidence, two police personnel of Outer district involved in the crime have already been arrested in the case. In fact, the case has been worked out by the Crime Branch. 05 accused have been arrested in this case, who were involved in the conspiracy and execution of the robbery including the ex-driver of the complainant. Further, cash recovery to the tune of Rs. 2.6 crores has been done out of Rs. 3 crores. It is totally unfair and in poor taste to cast aspersions on Sh. Sanjay Kumar Jain and Dr. Joy Tirkey by linking their names to the robbery case.

In view of the above stated facts, it is requested that a rejoinder may be published in order to put the record straight with the same prominence as the above referred news item.

Yours faithfully,
