OFFICE OF THE COMMISSIONER OF POLICE, DELHI.

No. 662 /PRO/PHQ dated Delhi, the 26/7 /2013.

To

The Editor,
Rashtriya Sahara,
New Delhi-110001.

Subject :- **Reg. news clipping published on 24.7.2013.**

Sir,

This is with reference to the news clipping **"New Delhi Railway Station: Auto-Taxi Prepaid Sewa flop"** published in your esteemed newspaper at Page-7 on 24th July, 2013, reported by your correspondent Sh. Amit Kumar.

In the news clipping it was mentioned that services of Pre-paid booths at New Delhi Railway Station are being used by only 0.1 % to 0.2% in a day out of total six lacs commuters. It was also mentioned in the news clipping that on a daily basis only 70-100 passengers are taking services of pre-paid taxis and 500 are taking services of pre-paid autos.

This is to inform that the facts and statics mentioned by your correspondence are baseless and far from the actual position. This prepaid booth at Ajmeri Gate side of New Delhi Railway Station was shifted from near foot over bridge No. 3 to near platform No. 16 on 9.5.2013. Since then, the booking has increased substantially which can be seen as under :-

Month/Year	TSR	TAXI	TOTAL
May/2012	9513	1021	10534
May/2013	**20174**	**4012**	**24186**
June/2012	10950	1247	12197
June/2013	**26783**	**4814**	**31597**
Upto 15th July/2012	6658	680	7338
Upto 15th July/2013	**11919**	**1895**	**13814**

In view of the position explained above, it is crystal clear that pre-paid taxi/TSR services are being used by commuters substantially since 9.5.2013 i.e. after the relocation of pre-paid booth at New Delhi Railway Station. Thus, the correct version in the form of a rejoinder may kindly be published by giving prominence in your newspaper in the public interest. Further, if there is a study on which figures have been quoted, we would like to get a copy. Else we request that imaginary figures be not carried by your paper.

Yours faithfully,

(**Rajan Bhagat**)
Public Relation Officer,
Delhi Police, Delhi.
